Members of the Princess Juliana International Airport, SXM, Management Team meeting with Hub Partners of Anguilla.

SXM AIRPORT KICKS OFF MEETINGS WITH HUB PARTNERS OF ANGUILLA

Simpson Bay, St. Maarten - The Management Team of the Princess Juliana International Airport (SXM) kicked off a series of meetings it will be holding with the hub partners during the first quarter of the new year with an extensive exchange of information with the Anguillan authorities.

"The importance of meeting with the hub partners cannot be over-emphasized," said Michel Hyman, COO of SXM Airport. "It is quite essential for the continued working relationship between the Princes Juliana International Airport and all its hub partners," adding that "partnership" depends on timely and effective communication.

And according to Donna Banks, Chairperson of the Anguilla Tourist Board, who led the Anguilla delegation, "The long-term goals of a budding relationship was the core premise of the discussions."

Chairperson Donna Banks recalled the days when the hub partners came together to jointly seek new airline services and expressed the wish to see this happen once again.

Hyman responded by stressing that it was the intention to reconvene the Air Service Development Committee (ASDC) meetings as soon as possible which would facilitate the joint quest for new airlines.

TENT UPDATE

Air-conditioned tent intended for temporary use until the Terminal Building can be restored.

Simpson Bay, St. Maarten – The Princess Juliana International Airport (SXM) will soon erect two big, air-conditioned tents that is intended to better accommodate the passengers and other users of the facility temporarily, until the Terminal Building can be restored to its pre-Hurricane Irma state.

"The tents will enhance customer comfort and upgrade the current operations both for the Arrival and Departure areas, thus freeing up the General Aviation (FBO building) that is now being used for arriving passengers," Hyman, COO of SXM Airport, said. The tent will also be customized to include offices and bathroom facilities.

*Appointed First Chief Financial Officer and New Acting CEO
Princess Juliana International Airport Operating Company*

WELCOME NEW CFO TO PJIA FAMILY

Simpson Bay, St. Maarten – The Princess Juliana International Airport Operating Company (PJIAE NV), has appointed Mr. Ravi Daryanani as its first Chief Financial Officer. Mr. Daryanani who was until then Head of Finance in the island government, took office on November 6, 2017.

Prior to his six-year term at the Ministry of Finance, he had also spent some 20 years in the private sector during which he served as Finance Director at DHL and Digicel among other important posts.

Chairman of the Supervisory Board of Directors, Mr. Gary Matser said PJIAE N.V. was very happy to welcome the new CFO on board.

“As part of our efforts to further position the company to meet the challenges of the future, we are all excited to have Mr. Daryanani join the management team and look forward to his professional contribution in his capacity as CFO,” Matser said.

Mr. Daryanani was appointed as the New Acting CEO as of January 1, 2018.
