

# INTERNSHIPS

Princess Juliana International Airport (PJIAE N.V.) mission is to be the regional leader in providing safe, secure, quality, and profitable airport services that contribute to the general economic and tourism development of St. Maarten /St. Martin and the region we serve.

**Have you always wanted to do an internship on a tropical island? Are you a student searching for an internship or graduate project in a dynamic environment? Then you have come to the right place!**

Every year, PJIAE offers internships in various departments to motivated students working on their vocational, higher, or university-level degrees. PJIAE offers a professional learning experience that is meaningful, practical work related to a student's field of study or career interest. The intern will have the opportunity for career exploration and development and to learn new skills.

### What does an intern do?

The intern will learn the day-to-day airport operations dealing with passengers, concessionaries, airport operations, customer service, ICT, Technical and Facility Management, Finance, Human Resource Management, etc. Additionally, the intern will be expected to accurately complete assigned projects and aviation management tasks.

The internship period may range from a few weeks up to twelve months. With longer-term internships, you'll almost always be compensated in some way. Other benefits could be discounts on purchases or even a personal laptop to work from.

### What types of internships are there?

- Security management
- Airport Operations
- ITT department
- Commercial, Marketing, Communication, and Customer service
