Airport Capacity Planner

PJIAE N.V. (Princess Juliana International Airport) is currently seeking a highly skilled and motivated **Airport Capacity Planner**. The Airport Capacity Planner will play a crucial role in assessing, analyzing, and optimizing the airport's operational capacity to ensure efficient and seamless passenger flow, aircraft movement, and infrastructure utilization. This position requires a deep understanding of airport operations, forecasting techniques, and the ability to collaborate with various stakeholders to achieve optimal results. The Airport Capacity Planner will report to the Director of Operations as a staff function.

KEY RESPONSIBILITIES

- Analyze historical and real-time data to identify trends, patterns, and potential capacity bottlenecks.
- Develop models and methodologies to forecast passenger traffic, aircraft movements, and infrastructure requirements.
- Collaborate with internal departments, airlines, and other stakeholders to collect relevant data and gather input for capacity planning.
- Conduct simulations and scenario analyses to evaluate the impact of operational changes and propose recommendations.
- Monitor industry trends, regulatory requirements, and best practices in airport capacity planning.
- Provide recommendations for infrastructure improvements, operational enhancements, and resource allocation.
- Prepare comprehensive reports and presentations to communicate findings and proposals to management and stakeholders.

REQUIREMENTS

- Bachelor's degree in Aviation Management or a related field. A master's degree would be an advantage.
- Proven experience in airport operations, capacity planning, or related roles.
- Strong analytical and problem-solving skills with the ability to handle large datasets.
- Proficiency in statistical analysis and modeling software.
- Excellent communication and interpersonal skills to effectively collaborate with diverse stakeholders.
- Ability to work in a fast-paced environment and prioritize tasks effectively.
- Knowledge of aviation regulations, industry standards, and best practices.

HOW TO APPLY

We strongly encourage internal staff members to apply and make a significant impact on the development of our airport. If you are a passionate PJIAE employee and possess the required qualifications and experience, we invite you to submit your application. Please send your resume and a cover letter outlining your relevant experience and qualifications to career@sxmairport.com. Kindly mention "Airport Capacity Planner Application" in the subject line.

Application deadline **April 15, 2024, or until vacancy has been filled.**
