Electrician

Princess Juliana International Airport (PJIAE N.V.) is recruiting **Electrician** specialized in High Voltage to work in the Electrical & Mechanical Department. As an Electrician you will be responsible for the quality and progress of the electrical, mechanical, and electronic maintenance and repair work on multiple Airport systems.

ROLE

- Assemble, evaluate, test, and maintain electrical or electronic wiring, equipment, appliances, and apparatus.
- Troubleshoot and repair malfunctioning equipment, appliances, and apparatus.
- Constructs and fabricates parts using hand tools and specifications.
- Provide technical direction and on-the-job training.
- Perform periodic preventive checks of electrical and mechanical systems to ensure optimal functioning and adherence to safety rules.
- Perform emergency repairs promptly and efficiently; advises on defects or malfunctioning. Remedies failures in electrical, mechanical, or electronic systems and installations after receiving instructions so that all systems and installations are running again in as little downtime as possible.
- Perform modification on current and new systems or installations to avoid overload or outages.
- Maintain a (daily) log of tasks performed and writes reports as required.
- Comply with service standards, work instructions, and airport safety requirements.

MINIMUM REQUIREMENTS

- Associates (MBO+) Electrician diploma or suitable equivalent. Minimum 2 years of work experience as an Electrician specialized in High Voltage.
- Ability to read blueprints, technical schemes, diagrams, manuals, and technical instructions to determine technical problems or faults.
- Good analytical and problem-solving skills.
- Ability to deal with stress and work under tight deadlines.
- Good communication skills.
- Excellent written, verbal, and interpersonal skills in English.
- Ability to work after hours, over weekends, and on public holidays with short or no notice.
- Ability to work in confined spaces.

HOW TO APPLY?

Interested persons can email their resume and motivation letter to career@sxmairport.com.

Please include " Electrician" in the subject line. Application deadline **April 15, 2024, or until vacancy has been filled.**
