ATS & Operational Safety Advisor

Princess Juliana International Airport (PJIAE N.V.) is seeking an experienced **Air Traffic Services & Operational Safety Advisor** to support the Chief Operations Officer in overseeing Air Traffic Services (ATS), Airside Operations, and Safety Management System (SMS) performance. This key advisory role ensures compliance, operational excellence, and safety across airport operations.

KEY RESPONSIBILITIES

- Advises on ATS operations, airside safety, and aviation regulatory compliance.
- Monitors and improves SMS implementation and resolves safety-related issues.
- Supports strategic planning, operational procedures, and risk mitigation.
- Collaborates with internal teams, regulators, external partners, and stakeholders
- Recommends improvements in training, processes, and safety culture.

REQUIREMENTS

- Bachelor's in Aviation Management or equivalent.
- 7+ years' ATS operational/managerial experience.
- 5+ years in aviation law or compliance.
- Strong knowledge of SMS, ATS regulations, and airside safety.
- Excellent communication, problem-solving, and advisory skills.
- Relevant certifications in ATS, SMS, or aviation safety preferred.

Note: an assessment could be used as part of the recruitment process.

HOW TO APPLY?

Interested persons can email their resume and motivation letter to career@sxmairport.com

Please include "**ATS & Operational Safety Advisor**" in the subject line.

Application deadline is **September 30, 2025**.
