PJIA celebrates St. Maarten Heineken Regatta

SIMPSON BAY, St. Maarten (March 2, 2012)—PJIA has draped a series of colorful banners between the V-shaped columns on the exterior of the airport's terminal this week. The banners are in celebration of the 32nd St. Maarten Heineken Regatta (March 1 – 4, 2012) and were placed at PJIA in collaboration with the regatta organizers. During the night and day, the welcoming banners add a heraldically festive feature to the face of the international airport – while promoting tourism and entertainment on the island and welcoming all sightseers, boating enthusiasts, and travelers, including the regatta visitors and participants.
